

Dear Valued Patients,

I hope this message finds you well. I wanted to share an update with you regarding my professional journey. As of 5/31/2023, I will be transitioning from Texas Gastro Consultants to join the Houston Regional Gastroenterology, where I will continue providing care at the following locations:

10720 Barker Cypress Rd, Houston TX 77095

24510 Kingsland Blvd, Katy, TX 77494

15555 Creek bend Dr. #200, Sugarland, Texas 77478

While change can be difficult, please know the care I provide to my patients will not change. For those patients of mine who prefer to stay with Texas Gastro Consultants, you are more than welcome to continue your treatment under their care. If you are staying with Texas Gastro Consultants, there is nothing for you to do.

However, if you would like to accompany me and maintain our established patient-doctor relationship, please sign the enclosed authorization form and return to my office as soon as possible, so we may transfer your records to Houston Regional Gastroenterology.

You can also complete the authorization form at the front desk of Texas Gastro Consultants for your records to be sent to Houston Regional Gastroenterology. Also, please schedule an appointment with me at Houston Regional GI by calling this number (832) 707-5011 or any further inquiries can be sent to practiceadmin@hrgastro.com.

If you continue your care through Texas Gastro Consultants, then you do not need to sign the authorization form.

I am deeply grateful for the trust you have placed in me over the years, and I look forward to the possibility of continuing to serve you in my new role. Thank you for your understanding during this transition.

Warm regards,

Dr. Abraham Chacko DO
